Smart Card Lock #6600-68-1 (Smart Card + Mechanical key)

Features:

- Very easy installation. Directly replaces knob locks.
- Door thickness request is only 1 3/4".
- Latch is under international standard. Two choices: 2 3/8 inch and 2 3/4 inch.
- Installs fast and quietly. There is no effect on the daily business of hotels.
- Because it is easy to install, and only need to tear down the old ball type lock, does not need drill another main 2 1/8" hole, but does require minor modifications.
- It is good choice for the customer for the hotel's improvement.
- Free rotating handle, maximum prolong mechanism life and also avoid unlock by violence.
- Pure stainless steel mechanical rotating structure enable for using more than 10 years.
- No longer installs the electrical machinery into inside the mortise, which facilitated the maintenance work.
